

IAS Vancouver 2015: HIV Prevention Roadmap

Session Code	Title	Type	Room	Date	Time	Intervention
Pre-Conference	UN 90-90-90 Target Workshop: Lessons from the Field	Pre-Conference Workshop	Sheraton Wall Centre Hotel	Sat, 18 July	08:30-19:00	Treatment
Pre-Conference	IAS 2015 Community Forum Building Partnerships between the	Public Event	Vancouver, Canada	Sat, 18 July		General
Pre-Conference	Achieving Quality and Demonstrating Impact in Global HIV Programs	Public Event	Vancouver, Canada	Sat, 18 July	12:30-17:30	General
Pre-Conference	Sustaining HIV Treatment for People Who Face Significant Health and	Delegates Event	Vancouver, Canada	Sun, 19 July	07:00-08:30	Treatment
	Making Fast Track a Reality: Addressing gender-related barriers to treatment access	Non-Commercial Satellite Session	Room 109	Sun, 19 July	10:15-12:15	General
SUSA05	Creating Rectal Microbicides People Desire: How do we get there?	Non-Commercial Satellite Session	Room 121	Sun, 19 July	12:30-14:30	Microbicides
SUSA07	The Future of HIV/AIDS in Resource Limited Settings	Major Industry Sponsor Satellite	Room 118-120	Sun, 19 July	12:30-14:30	Treatment
SUSA04	Injectable Options and Preventable Confusion: An Update and Interactive Discussion on the Pipeline of Antibodies, Long-acting ARVS and Vaccines	Non-Commercial Satellite Session	Room 121-122	Sun, 19 July	14:45-16:45	Vaccines, Treatment, Cure
SUSA02	Achieving Pregnancy While Minimizing HIV Transmission Risk: Safer conception research, policy and programming priorities for HIV-affected individuals and couples	Non-Commercial Satellite Session	Room 110	Sun, 19 July	14:45-16:45	Hormonal Contraception and HIV Risk

SUSA12	ART Programmatic Strategies and Policies to Reach and Maintain Undetectable Viral Load	Non-Commercial Satellite Session	Room 118-120	Sun, 19 July	17:00-19:00	General
SUSA13	Securing Uninterrupted Supply of ARVs and HIV Diagnostics to Achieve the 90-90-90 Targets	Non-Commercial Satellite Session	Room 110	Sun, 19 July	17:00-19:00	General
SUSA11	What's Next for HIV Vaccines: From Design to Efficacy Testing	Non-Commercial Satellite Session	Room 121-122	Sun, 19 July	17:00-19:00	Vaccines
MOSA03	The Power of Partnership: BEAT AIDS Project Zimbabwe (BAPZ) and the work of NGOS that combat HIV infection in Zimbabwe	Non-Commercial Satellite Session	Room 121-122	Mon, 20 July	07:00-08:30	General
MOPL01	Mon, Plenary	Plenary Session	Ballroom C-D	Mon, 20 July	08:30-10:30	General
MOAA01	Persistently Seeking Virus	Oral Abstract Session	Room 118-120	Mon, 20 July	10:45-12:15	Cure
MOBS01	Immune Activation in HIV: Friends of Foe?	Bridging Session	Room 211-214	Mon, 20 July	11:00-12:30	Vaccines, Cure
MOAC01	TasP: Just Do It	Oral Abstract Session	Ballroom C-D	Mon, 20 July	11:00-12:30	Treatment
MOSS01	Progress and Challenges in HIV Prevention: Vaccine and Non-Vaccine Approaches	Special Session	Ballroom A	Mon, 20 July	13:00-14:00	General
MOBS02	The Present and Futures of Combination Prevention for HIV Sexual Transmission	Bridging Session	Ballroom A	Mon, 20 July	14:30-16:00	General
MOSY01	How Would You Like Your PrEP?	Symposia Session	Ballroom C-D	Mon, 20 July	14:30-16:00	PrEP
MOBS03	New Approaches to Using Broadly Neutralizing Antibodies for HIV Prevention	Bridging Session	Room 211-214	Mon, 20 July	11:00-12:30	Microbicides
MOSY03	The Strategic Timing of AntiRetroviral Treatment (START) Study: Results and Their Implications	Symposia Session	Ballroom A	Mon, 20 July	11:00-12:30	Treatment

	PEPFAR Allocation Priorities: an assessment of PEPFAR COP allocations across strategic areas and country	Poster Presentation	Exhibition, located in Hall B on the West Exhibition Level (poster #: MOLBPE31)	Mon, 20 July	12:30-14:30	General
MOAC03	HIV Prevention Interventions and Missed Opportunities for Prevention	Oral Abstract Session	Room 118-120	Mon, 20 July	16:30-18:00	PrEP, VMMC
MOAC02	PMTCT: Gaps and Next Steps	Oral Abstract Session	Ballroom A	Mon, 20 July	16:30-18:00	PMTCT
MOAD01	90-90-90: Delivering on the Targets	Oral Abstract Session	Ballroom C-D	Mon, 20 July	16:30-18:00	Treatment
MOAA02	Microbiome: the Good and the Bad for HIV	Oral Abstract Session	Room 211-214	Mon, 20 July	16:30-18:00	Vaccines
MOSA07	Minor Issues, Major Consequences: Ensuring Adolescents' Access to Proven Prevention Methods	Non-Commercial Satellite Session	Room 109	Mon, 20 July	18:30-20:30	General
MOSA06	Modelling cost and impact of new prevention methods for young women in high HIV incidence settings	Non-Commercial Satellite Session	Room 110	Mon, 20 July	18:30-20:30	Multipurpose Prevention Technology
TUPL01	Tue, Plenary	Plenary Session	Ballroom C-D	Tues, 21 July	08:30-10:30	Treatment
TUAC02	PrEP: Demonstration for Implementation	Oral Abstract Session	Ballroom B	Tues, 21 July	11:00-12:30	PrEP
TUAB01	ART: New Drugs, New Strategies	Oral Abstract Session	Ballroom C-D	Tues, 21 July	11:00-12:30	Treatment
TUPDA01	Restricting the Virus inside and out	Poster Discussion Session	Room 109	Tues, 21 July	13:00-14:00	Treatment
TUAA02	Hammer and Tickle: Targeting the Virus	Oral Abstract Session	Room 211-214	Tues, 21 July	14:30-16:00	Cure
TUWS04	Characterizing the Latent Reservoir	Workshop	Room 110	Tues, 21 July	14:30-17:30	Cure
TUAD02	Optimizing PMTCT Programme Implementation	Oral Abstract Session	Ballroom B	Tues, 21 July	14:30-16:00	PMTCT

TUSY04	Achieving 90-90-90: New Clinical, Operational, and Policy Guidance	Symposia Session	Room 118-120	Tues, 21 July	16:30-18:00	Treatment
TUAC04	People Who Inject Drugs: Prevention and Care Cascade	Oral Abstract Session	Ballroom A	Tues, 21 July	16:30-18:00	General
WEPL01	Wed, Plenary	Plenary Session	Ballroom C-D	Wed, 22 July	08:30-10:30	General
WESY03	Keystone Vaccine and Cure Special Summary Session	Symposia Session	Room 121-122	Wed, 22 July	11:00-12:30	Vaccines, Cure
WEAD02	Children and Adolescents Living with HIV: Discovery and Management	Oral Abstract Session	Room 211-214	Wed, 22 July	11:00-12:30	General
WEPDA01	Immunology and Virology of the Global Epidemic	Poster Discussion Session	Room 109	Wed, 22 July	13:00-14:00	Vaccines
WEME01	Optimizing the Use of Antiretrovirals for Prevention in Clinical Practice: Case-Based Approaches	Meet the Experts	Room 118-120	Wed, 22 July	14:30-16:00	Treatment
WEAA01	Immunity and Immunization	Oral Abstract Session	Ballroom C-D	Wed, 22 July	14:30-16:00	Vaccines
WEADO3	Implementation and Measurement to Improve Health Systems	Oral Presentation	Ballroom B	Wed, 22 July	14:30-16:00	General
WESY07	Advancing Scale-up of Optimal HIV Treatment in Resource-limited Countries	Symposia Session	Ballroom C-D	Wed, 22 July	16:30-18:00	Treatment
WESY05	Preventing HIV and HCV among People who Inject Drugs: Challenges and Opportunities	Symposia Session	Ballroom A	Wed, 22 July	16:30-18:00	General
WESY08	Economic Strengthening and Social Protection Interventions for HIV Prevention	Symposia Session	Room 211-214	Wed, 22 July	16:30-18:00	General
WESY06	Advances in B-Cells and Antibodies	Symposia Session	Ballroom B	Wed, 22 July	16:30-18:00	Vaccines
