

## Target Tracking for Epidemic Control

BY  
2020

**32 million people**  
with HIV on ART

**29 million people**  
living with HIV who are  
on ART and virologically  
suppressed

**47 million men**  
have undergone  
VMMC

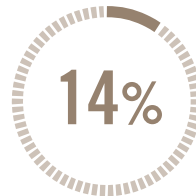

**<500,000 people**  
annually diagnosed  
with HIV

**3 million people**  
with access  
to PrEP

TODAY

Target percentage achieved based on Fast Track 2020 targets
